Dear Judy

Thank you for the opportunity to carry out your recent food safety audit. Attached is the report following this food safety audit, that I carried out on the 21 January 2011.

No conditions were raised as a result of this audit therefore no response to the report is required.

Your next audit is scheduled for **January 2012**. We will contact you closer to this time to make arrangements for this audit. In the meantime please let us know if there are major changes to your business or if you shift premises.

Your annual Food Safety Inspection Certificate which you can put on display will be posted to you.

Please accept my congratulations on the continued success of your system. If I can be of further help please call me.

Yours sincerely
